

“I want to take my meds on time, everytime!”

Goals

- Manage long-term medication independently.

Frustrations

- Struggles to remember if she's taken her meds.

Harper

Age: 18

Education: High School Graduate

Hometown: Madison, WI

Family: Living with 1 roommate

Occupation: Student

Harper's a first time student who has taken a daily medication for 7 years. She just moved into her dorm and has struggled to consistently take her medicine without the structure she had in grade school.
